SOLUTRANS MEDITERRANEE 2011: the road haulage show for the Mediterranean region

The French Bodywork Federation (FFC) and its Moroccan counterpart (GPLC) have teamed up to launch the very first SOLUTRANS MEDITERRANEE Show. SOLUTRANS MEDITERRANEE is the key Transport Solutions event covering every facet of the industry from manufacturing to repairs, and bringing together all Mediterranean Union countries.

Under its “Mediterranean Union” banner, the Show has the active support of the French and Moroccan authorities – who are working towards the same goal.

Visitors will have a unique opportunity to discover the vast range of innovations and solutions for all transport fields: Trucks, Utility Vehicles, Semi-trailers, Tippers & boxes, Temperature controlled vehicles, Tankers, Vans, Equipment, Accessories, Braking, Commercial vehicles, Repairs, Tools, Products and IT solutions.

SOLUTRANS MEDITERRANEE has something for everyone in the trade: hauliers, local authorities, dealerships, agents, distributors, garages etc. If you're in transport, you need to be in Casablanca from 15 to 18 June 2011.

Patrick CHOLTON
Président

SOLUTRANS MEDITERRANEE 2011 in brief:

- The tried-and-tested formula of SOLUTRANS Lyon, the world-famous truck industry show
- Over 15,000 sqm of exhibition space
- A comprehensive offer covering every aspect of the truck industry
- A large number of exhibitors from the Mediterranean rim
- Visitors from all over the world
- Innovative promotional tools

SOLUTRANS MEDITERRANEE: Sustainable transport solutions for a sustainable economy

In this global economy, logistics play a key role in driving business competitiveness.

Within the transport sector, road haulage is of strategic importance: flexible, fast and competitive, unsurprisingly it accounts for more than 95% of domestic goods movements.

Today the truck industry is facing new challenges: environmental impact, increasing fuel prices, road safety, regulations-these all demand constant modernising of equipment and vehicles, coupled with the use of fast-evolving leading-edge technology.

SOLUTRANS MEDITERRANEE 2011 : The innovation show for the entire truck industry

- LCV and HGV bodybuilders
- LCV and HGV manufacturers
- Semi-trailer and trailer manufacturers
- Bodywork and vehicle equipment manufacturers
- Trade organisations
- Workshop equipment, products and consumables
- Bodywork repairers
- Tyres
- Distribution, after sales networks
- IT, consultancy and services
